

That's odd... is that a bat?

Oh! And that's me!

I really hope I don't get expelled for this!

But I just NEED to know everything's going to be ok.

Whoa!
what the!?

but now that I
know it works...

Crap, the potion
ran out!

I can fine tune the recipe and make
sure it lasts longer next time!

It's been all night,
but I'm finally ready!

Alright
magic potion, do
your thing!

BOOM!

Did it work?

Whoa...

Just look at
me... I look
amazing!

I can't take the
suspense!

I need to know when this
future becomes my reality!

Is... is that
still me?!

Something's wrong. I
need to get back now!

Oh, it's far too
late for that.

You just couldn't wait, could you?

Normally this part doesn't happen for another week....

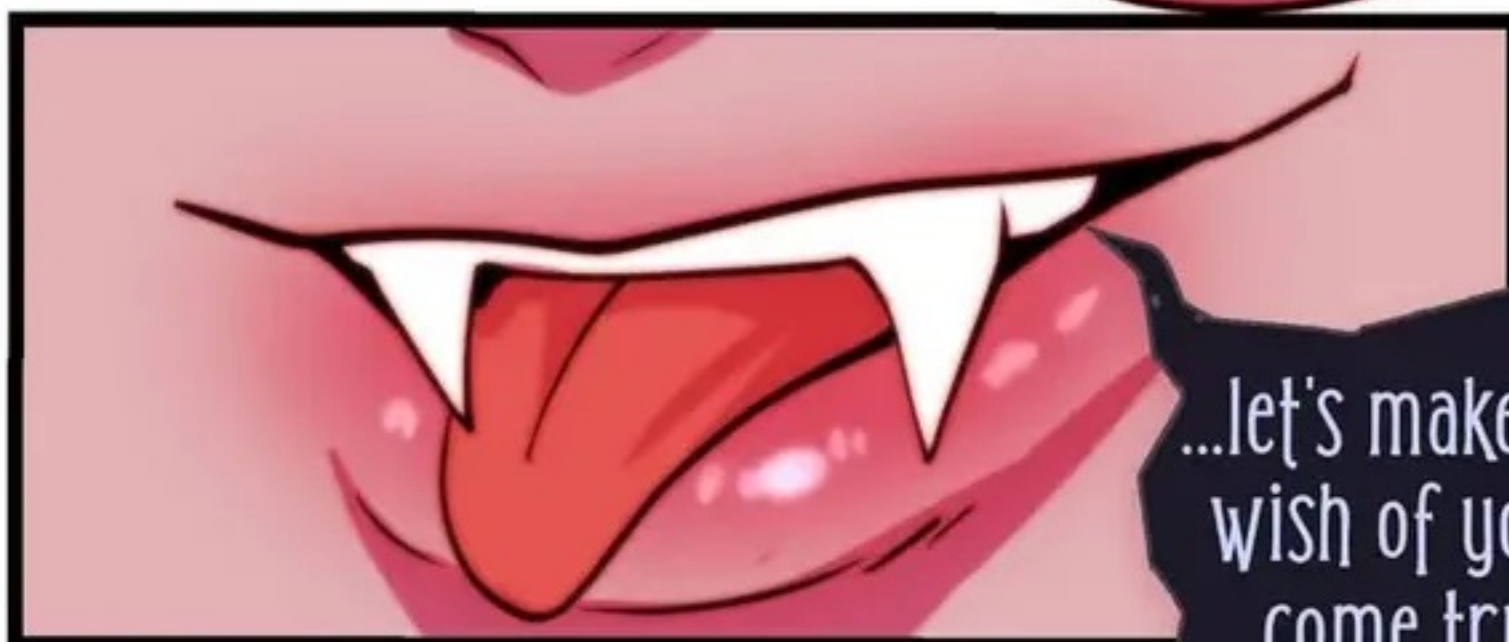

...but since you're so eager to speed things up...

Uh, anytime you want to run out now Mr. Potion would be fine with me.

...let's make that wish of yours come true.

Not before I leave you with a parting gift.

I wonder how I'll taste...

Already over huh?

Well, at least it was good while it lasted.

See you soon girlie!

My neck! No...

my whole body feels like it's on fire!

What...what's happening to me?!

Yes, YES!
I can feel it...

I'm starting
to change!

Oh... and it feels
SO good!
